UBA® Pro

UNIVERSAL BILL ACCEPTOR

IMPROVED DESIGN

- Longer life-cycle
- Dust and liquid resistant design

BETTER PERFORMANCE

- Faster note-to-note speed
- 2 or 4 way barcode reader
- Centering mechanism

ENHANCED SECURITY

- New, superior sensor package
- Best, patented anti-stringing technology
- Accepts the world's currencies

GREATER SERVICEABILITY

- Service-friendly modular design

THE UBA® PRO IS THE NEXT-GENERATION BILL VALIDATOR.

The all-new UBA® Pro sets new standards in automated transactions across the kiosk, retail, and gaming industries.

Meticulously designed for modern business environments, the UBA Pro's improved design delivers better performance including faster note-to-note acceptance, low cost of ownership and reduced service and repair downtime.
