REDUCE PRINTING TIME AND STREAMLINE YOUR OPERATIONS WITH EP802-TMP.

The Eurocoin EP802-TMP Thermal Printer has been developed for a wide range of applications to meet all customers' needs, across sports betting, gaming and lottery, kiosks, parking systems and other sectors. The TMP model offers flexibility to OEMs by providing users with the ideal printer to suit multiple cabinet styles. With a fully integrated presenter, the EP802-TMP ensures delivery of the perfect ticket or receipt. Easy accessibility to the rear of the printer ensures auto-paper loading and that routine service is simple and time-efficient.
