- Standard unit accommodates 200, 400 and 600 count ticket stacks
- Ticket size: 2.56 inches (65 mm.) W x 6.14 inches (156 mm.) L
- Ticket thickness: .0045–.005 inches (.114–.127 mm.)
- Perf strength: 25-45 ozs. (.71 -1.278 kg)
- Monochrome or three 2-color choices: red/black, blue/black, green/black

## WHO WE ARE

TRANSACT® Technologies Incorporated (Nasdaq:TACT) is the leader in developing and manufacturing market-specific printers for transaction-based industries. These industries include gaming, lottery, banking, food safety, kiosk, POS, oil, gas and medical. Each individual market has distinct, critical requirements for printing and the transaction isn't complete until the receipt and/or ticket is produced. TRANSACT® printers are designed from the ground up based on market specific requirements and are sold under the Ithaca®, AccuDate™, Printrex and Epic product brands. TRANSACT® distributes its products through OEMs, value-added resellers, and selected distributors. TRANSACT® has over two million printers installed around the world. TRANSACT® has a strong focus on the after-market side of the business, with a high commitment to printer service, supplies, and spare parts. TRANSACT® is headquartered in Hamden, CT. For more information on TRANSACT®, visit [www.TRANSACT-TECH.com](http://www.TRANSACT-TECH.com) or call 203-859-6800.
